INTER-OFFICE MEMORANDUM

June 2, 2006

TO: Martin Heinrich, President, City Council

FROM: Martin J. Chávez, Mayor

Transmitted herewith for City Council consideration and approval is a proposed Joint Funding Agreement between the City of Albuquerque, AMAFCA, and the U.S. Geological Survey (USGS) for the storm water hydrologic data collection program for the FY07 storm season. The General Fund, Storm Drainage '05 G.O. Bond activities provide the funding for the agreement.

Work activities in this agreement include the Urban Hydrology Data Collection Program, which is an ongoing annual program to collect rainfall/runoff data at various recording stations in the Albuquerque Area. The activity will cost the City \$31,335.00.

Additional work activities include storm water sampling and testing at eight permanent sampling stations, background sampling at several sites for natural runoff data, and data retrieval and analysis for EPA-NPDES Storm Water Quality Program requirements. This activity will cost the City \$87,230.00.

Staff will be available to respond to questions and the appropriate hearings.
